Tax Free Shopping – it is value added tax (VAT) refund service to foreign (not EU) residents that purchase goods in Lithuania and export them out of EU territory.

With loyalty Tax Card, you can refund larger amount of money, easily and conveniently. By logging in to Your Tax Card account, You can track your payments, view additional loyalty refunds, as well as select refund method. Information about refund amounts and how to order loyalty Tax Card can be found at www.taxcard.eu

Tax Free Shopping services in Lithuania has a minimal purchase amount. Minimal purchase value in a single receipt must be at least 55 Eur in order to receive a refund.

Goods that have been purchased in Republic of Lithuania must be exported in the following three months from the purchase date, otherwise Tax Free shopping services are not allowed.

VAT refund services compose from 3 stages:

- **Tax Free form provision.** After purchase, vendor must provide You a filled Tax Free form together with purchase receipt.
- **Customs approval.** Travelling out of European Union territory, please provide a filled Tax Free form to a representative of Customs, who will approve your Tax Free form with Customs' stamp. You must have Your identity document, purchase receipts as well as Your purchases.
- **Refund payment.** Refunds can be obtained in cash at Lithuanian border zones at Tax Card representatives' site. Refund can also be obtained by transfer to credit card or personal account trough selected payment system – PayPal, Payza, Western Union, WebMoney, Easypay, MoneyGram and Alipay. To obtain refund via transfer to personal account, You will need to send customs-approved Tax Free form by post indicating return address of Tax Card. After we receive Your Customs-approved Tax Free forms, we will immediately transfer Your money.
